

MARY DOE

OBJECTIVE

To be a member of a team of well-educated spa professionals and use my training to enhance the experience of clients at a professional day spa.

EXPERIENCE

2003–2007 Organization name City, State
Staff Spa Therapist

- Performed spa services including aromatherapy, mud wraps, salt and sugar scrubs, and hydrotherapy.
- Offered clients at-home suggestions to enhance their day spa experience.
- Suggested products, available in the spa store, which would support clients' self care.

1998–2003 Organization name City, State
Certified Massage Therapist

- Self-employed, offering therapeutic massage services.
- Managed my own office, including marketing, scheduling, bookkeeping, client communications, purchasing, and laundry services.

EDUCATION

2001 School name City, State

- Completed a 120-hour certification in reflexology

1996–2000 School name City, State

- Completed additional 200 hours of training in wet and dry spa treatments with emphasis on the detoxifying properties of the services and products.

1996–1998 School name City, State

- Graduated with certificate in massage therapy from a 600-hour course

PROFESSIONAL AFFILIATIONS
